Woodpecker™ Floor Care Kit

Woodpecker™ Floor Care Applicator

This is a premium quality **Acrylic Urethane "Top Coat"**.

Restores the gloss and luster to your old and worn floors.

Works on all Hardwood (Urethane) and Laminate Floors.

Easy to use, self leveling formula, for a silky smooth finish.

NO SANDING REQUIRED

Coverage approx. 750 sqft/bottle (single coat).

Components Required:

- Woodpecker™ Smart Shine™ Acrylic Urethane "Top Coat" (946ml/32oz Bottle).
- Woodpecker™ Blue Microfibre Bonnet (fits snugly to our Woodpecker™ Floor Care Applicator).
- Woodpecker™ Floor Care Applicator (included in our Woodpecker™ Advantage Plus Hardwood and Laminate Floor Care Kit*).
- Woodpecker™ Advantage Plus Hardwood and Laminate Floor Care Kit* (includes our customized Woodpecker™ Floor Care Applicator, White Terry Bonnets and after care "Spray Cleaner").

Directions for Use:

1. Sweep or Vacuum your floor to remove all loose dirt and grit.
2. Thoroughly clean your floor with Woodpecker™ Penetrating Floor Prep.
3. Fit the Woodpecker™ Microfibre Bonnet onto the Woodpecker™ Floor Care Applicator (this is designed to be a snug fit to ensure even application of our Smart Shine™ Acrylic Urethane "Top Coat").
4. Mist a 7' x 7' section of your floor with our Smart Shine™ Acrylic Urethane "Top Coat". Using a long, gentle back and forth motion, spread evenly using our Woodpecker™ Floor Care Applicator (with Blue Microfibre Bonnet attached). Move quickly to the next section and blend the joint while both areas are still wet. Apply evenly and do not overwork the product. Repeat this procedure until the entire area is complete.
5. Allow to dry 30 minutes between coats. (minimum of 2 coats recommended)
6. If you would like a higher gloss finish then apply additional coats until you obtain the desired gloss level.
7. Allow approx. 3-4 hours before walking on the floor.
8. Allow 12 hours (full curing time) before moving furniture back. Do not slide or drag furniture. Make sure furniture has protective glides or pads.
9. Maintain your floor using our Woodpecker™ Hardwood and Laminate Spray Cleaner (included in our Woodpecker™ Advantage Plus Floor Care Kit*).

*Kit Sold Separately.

Not recommended for wax floors. Test Smart Shine™ on a small inconspicuous area of your floor (in a closet or corner) before recoating your entire floor.

Hardwood and Laminate Floor Cleaning System

This is a premium quality **"Deep Cleaning"** system.

Removes contaminants such as oils and soaps.

Prepares your floor for the **successful application** of our **Smart Shine™ Acrylic Urethane "Top Coat"**.

Components Required:

- Woodpecker™ Penetrating Floor Prep (650ml/22oz Bottle)
- Woodpecker™ White Terry Bonnets (included in our Woodpecker™ Advantage Plus Hardwood and Laminate Floor Care Kit*).
- Woodpecker™ Non Abrasive Scrub Pad (attached to the bottom of our Woodpecker™ Floor Care Applicator)
- Woodpecker™ Floor Care Applicator (included in our Woodpecker™ Advantage Plus Hardwood and Laminate Floor Care Kit*)
- Woodpecker™ Advantage Plus Hardwood and Laminate Floor Care Kit*(includes our customized Woodpecker™ Floor Care Applicator, White Terry Bonnets and after care "Spray Cleaner").

Directions for Use:

1. Sweep or Vacuum your floor to remove all loose dirt and grit
2. Fit the Woodpecker™ Terry Bonnet onto the Woodpecker™ Floor Care Applicator (this is designed to be a snug fit to ensure even application of our Penetrating Floor Prep).
3. Mist a 7' x 7' section of your floor with our Penetrating Floor Prep and using an aggressive back and forth motion, clean your floor using our Woodpecker™ Floor Care Applicator (with White Terry Bonnet attached). Repeat this procedure until the entire area has been cleaned.
4. Using an aggressive back and forth motion agitate the entire floor with our Non Abrasive Scrub Pad (attached to the bottom of our Woodpecker™ Floor Care Applicator).
5. Soak a clean Terry Bonnet in cold clean water and wring it out thoroughly, so the Terry Bonnet is just damp. Fit the damp Terry Bonnet onto the Woodpecker™ Floor Care Applicator and using an aggressive back and forth motion rinse your floor. Repeat this procedure until the entire area has been rinsed.
6. Allow 10 minutes to dry.
7. Your floors are now prepared to receive multiple coats of our Smart Shine™ Acrylic Urethane "Top Coat".

*Kit Sold Separately.

**Not to be used as a "Daily Cleaner".

For "Daily Cleaning" use our Woodpecker™ Hardwood and Laminate "Spray Cleaner".
